

Ideal Manufacturing & Sales Corporation is pleased to announce the winner of their fifth annual "Sales Associate of the Year" award, Mr. Oner M. Onergil of Alpha Engineered Process Equipment, St. Louis, MO. This is the fourth time that Mr. Onergil has received this award having been selected as Ideal's first "Sales Associate of the Year" in 2004.

Mr. Onergil was born in Turkey. He moved to the United States in the early seventies working for a chemical distributor and specialty packaging company in St. Louis.

In 1991, Mr. Onergil started his own marketing company, Alpha Engineered Process Equipment. Alpha represents many manufacturers offering a variety of products such as liquid filling machines, packaging systems, mixers and dispersers. Alpha services the paint, ink, specialty coatings, adhesives and pharmaceutical manufacturers in Missouri, Kansas, Iowa and Southern Illinois. He has been representing Ideal Manufacturing & Sales Corporation since 1988.

Ideal's 2008 runner up was Mr. Ladd Hey of Packaging Machinery Systems in Ridgeland, Mississippi.

Ideal Manufacturing & Sales Corporation is located in Madison, WI and manufactures all types of liquid filling and packaging equipment for the adhesive, chemical, ink, flavoring, food, lubricant, paint and pharmaceutical industries.
